PERFORMANCE PROPERTIES

PRODUCT DIMENSIONS

	WIDTH	LENGTH	THICKNESS	WEIGHT
JUMBO	160cm	320cm	2cm / 3cm	250kg / 376kg

RESIDENTIAL WARRANTY

We trust in the quality of Radianz® quartz products. To ensure your satisfaction, LOTTE CHEMICAL CO.,LTD. is proud to offer a limited non-transferable 15-year warranty.

COMMERCIAL WARRANTY

The Commercial 10-year Limited Warranty applies to Radianz® quartz that have been installed in an interior, commercial use application. For more details regarding the commercial warranty, please consult with your Radianz® distributor or contractor.

RADIANZ MATT FINISH

The Radianz matt finish is a brushed texture with uniquely soft touch that offers high-quality colour consistency. The matt finish may require extra care and maintenance than the polished finishes. Due to the nature of the surface design, smudges, fingerprints, water spots and other signs of daily living might be more visible on the matt finish. It is recommended that common household spills are dried immediately using non-abrasive cleaning products and microfiber towel. For more information, please visit our website at www.radianz-quartz.com.

PREVENTING DAMAGE

Protect the surface when using metal utensils, cutlery and cookware during food preparation and avoid direct contact with extremely hot objects and caustic chemicals.
